The Directors present their annual report together with the audited financial statements of the Charity for the year 1 January 2021 to 31 December 2021. The Directors confirm that the annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions applicable to charities preparing their financial statements in accordance with Financial Reporting Standard 102 (Charities SORP FRS102) (second edition - October 2019).

Objectives and activities

a. Policies and objectives

The Irish Men's Sheds Association is the national organization representing and supporting Men's Sheds on the island of Ireland. A 'Men's shed' is a community-based project, where men can come together in a shed to learn, share skills and make long-lasting friendships together. They aim to make it as easy as possible for any likeminded group of men in Ireland to set up, run and maintain a men's shed. They provide information, resources and support to the member sheds throughout Ireland.

b. Strategies for achieving objectives

The pillar strategies of the organisation are divided as follows:

Strategic Priority 1: Resilient & Sustainable Sheds

Strategic Priority 2: Sheds for Life Strategic Priority 3: Communications Strategic Priority 4: Effective Organisation Strategic Priority 5: Networked Sheds

The overall strategic direction of the organisation is outlined in a strategic plan agreed by the Board. This is generally updated on a three year basis. The latest strategic plan was 2017-2020 which was extended twice by Strategic Connect 2021 and 2022 as a result of the ongoing Covid-19 pandemic. The Board are currently reviewing a new strategic plan for 2023-2025.

c. Activities undertaken to achieve objectives

Strategic Priority 1: Resilient & Sustainable Sheds

- Maintain the Shed Support Volunteer network as a constant source of support and advocacy for Irish sheds.
- Continue to provide sheds with guidance towards achieving the appropriate level of insurance.
- Assist sheds in becoming financially sustainable in order that the social benefits of sheds can continue to be felt in their communities for years to come.

Strategic Priority 2: Sheds for Life

- Promote the Sheds for Life profile and brand on a national platform.
- Act on the results of the Sheds for Life Impact Report to ensure sheds retain ownership of the programme.
- Deliver Sheds for Life in accordance with the needs of shedders and the conditions of the IMSA's Service Level Agreement with funders such as Healthy Ireland.
- Continue to grow and expand the delivery of programmes, provision of information and signposting of services through Sheds for Life.
- To examine options for expanding Shed for Life or a similar health and wellbeing programme into Northern Ireland.
- Continuous evaluation of and research into the effectiveness of Sheds for Life initiative

DIRECTORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2021

Objectives and activities (continued)

Strategic Priority 3: Communications

- To ensure that sheds are kept fully informed of all relevant news and information, and that communication between IMSA and our sheds moves smoothly in both directions.
- To maintain profile of sheds in local and national media, heightening awareness of the men's shed movement, its social benefits and IMSA's role in it.
- Continuation of the communications officer post with overall responsibility for public relations, social media and video content and internal communications.
- Comprehensive annual survey to ascertain conditions, requirements and concerns among sheds and collate key facts and statistics.

Strategic Priority 4: Effective Organisation

- Ensure that IMSA's organisational structure is effective and fit for purpose to support the work of the association and meet its stakeholder's needs
- To maintain financial stability, to allow IMSA to deliver its objectives and roll out new services and initiatives.
- To adhere to the highest standards of governance, accountability, and transparency.

Strategic Priority 5: Networked Sheds

- To ensure that sheds have the opportunity to connect with other sheds in order to share skills, knowledge and experiences but more importantly to provides a natural support structure to sheds that they can seek advice or guidance from sheds in their own county or from throughout the island.
- With the lingering effects of the Covid-19 pandemic still affecting shed attendance, and with further outbreaks possible, the IMSA commits to ensuring that as many shedders as possible achieve a degree of digital literacy in the year ahead.

Achievements and performance

a. Key performance indicators

The KPI's used by the Charity include the number of registered sheds, number of events carried out, and overall funding achieved. These are outlined in the results and performance section.

Financial review

a. Going concern

After making appropriate enquiries, the Directors have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

c. Principal risks and uncertainties

The Charity considers its principal risk areas to be a reduction in Government and core funding, a reduction in corporate/individual donations and the risk of unsustainable operational costs for Sheds.

The Charity addresses these risks by maintaining an open line of communication with all funders and donors, and for the past three years has opted not to charge an annual subscription to Sheds, whilst also providing over €100,000 to Sheds in SOS and Covid stability support to assist with local operating costs.

d. Reserves policy

The Charity's reserve policy is to maintain sufficient reserves to cover operating costs for a number of months in the event of an unforeseen loss or delay to anticipated funding.

Structure, governance and management

a. Constitution

Irish Men's Sheds Association is registered as a charitable company limited by guarantee and was set up by a Constitution. The most recent Constitution was amended and adopted by the members on 22 February 2018.

Company law requires the Directors to prepare financial statements for each financial year. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF IRISH MEN'S SHEDS ASSOCIATION

Opinion

We have audited the financial statements of Irish Men's Sheds Association (the 'charitable company') for the year ended 31 December 2021 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable Irish law and Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2021 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF IRISH MEN'S SHEDS ASSOCIATION (CONTINUED)

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditor's report thereon. The Directors are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2014

Based solely on the work undertaken in the course of the audit, we report that:

- in our opinion, the information given in the Director's report is consistent with the financial statements; and
- in our opinion, the Directors' Report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which we consider necessary for the purposes of our audit.

In our opinion, the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited, and financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Director's report.

The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

Responsibilities of Directors for the financial statements

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF IRISH MEN'S SHEDS ASSOCIATION (CONTINUED)

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Section 391 of the Companies Act 2014 Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (second edition - October 2019) and the Companies Act 2014.

Irish Men's Sheds Association meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements have been presented in Euro (€) which is the functional currency of the Charity.

1.2 Company status

The Charity is an Irish registered company limited by guarantee under Part 18 of the Companies Act 2014 with a registered office at Irish Farm Centre, Naas Road, Dublin 12 under company number 493940. The members of the company are the Directors named on page 1. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to €1 per member of the Charity.

1.3 Going concern

The Charity has prepared the financial statements on the going concern basis. The Charity is confident that funding from its principal funders shall continue into the medium term to enable the Charity to continue as a going concern. Budgets have been prepared for the next 12 months from the date of approval of the financial statements which indicate that the Charity will be able to continue in operation for the foreseeable future.

1.4 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a performance basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Donated services or facilities are recognised when the Charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the Charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general time of volunteers is not recognised.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1. Accounting policies (continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

1.6 Tangible fixed assets and depreciation

Tangible fixed assets are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

At each reporting date the Charity assesses whether there is any indication of impairment. If such indication exists, the recoverable amount of the asset is determined to be the higher of its fair value less costs to sell and its value in use. An impairment loss is recognised where the carrying amount exceeds the recoverable amount.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

- 12.5%

Depreciation is provided on the following basis:

Fixtures and fittings

1.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1. Accounting policies (continued)

1.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

1.9 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.10 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Directors in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.
